A Fantastic Family Break: Manchester Hotels

The weather can't be guaranteed in Manchester but the delight and excitement your children will have can be, with the range of activities available in the area. From play centres to museums to treasure hunts, book your family into one of the many Manchester hotels on offer and have fun! If you're stuck for ideas, choose from one of the following....

Start your break getting to know the city with one of the most fun ways to spend an afternoon, the award winning Huntfun. The hunt will take you around the city as you discover hidden treasure, cobbled streets and more. Head off from one of the many Manchester hotels in the city centre and let your children play detective.

Next, for an extremely hands on and fun and educational trip, why not try the Museum of Science and Industry (MOSI). Situated on the historic site of the world's oldest surviving railway station, and housed in five listed buildings, MOSI tells the fascinating story of Manchester's scientific and industrial industries.

You will have a real fun filled day out if you visit the must do Legoland Discovery Centre. Ride on last chariots, visit the local area in Lego form, build Lego houses and vehicles or ride a dragon into the depths of Legoland. There's even an amazing, state of the art 4D Lego Cinema and watch out for those Lego Pirates!

Manchester United and Manchester City are integral to the city, even if you're not a football family they're worth seeing. Take a tour around the stadium, changing rooms and become experts in the football club's history. You never know, you might even bump into one of their star players.

The Manchester indoor ski and snowboard slope is a fantastic way to round off your holiday with a cooler than cool activity! The Chill Factor is the real deal with real snow with qualified instructors. Your children can play in the Snowplay area or make a snowman or visit Santa in his ice castle. There's plenty to do here, so make sure you've one of the many Manchester hotels to chill out in.
