This 817 page ebook is unlike other travel guides - it is a combined travel guide and 'user' guide to London and the whole of the United Kingdom.

'UK Information' is for vacationers, students and visiting workers, and details just about everything you will need to know for your long or short stay.

You will be amazed at the variety of all things in the UK - you'll see more, enjoy more - and save money with this extremely useful ebook!

A Travel Guide? Includes details of hundreds of great places to visit, with locations and how to get there - plus a list of fun events unique to the UK.

If you decide to tour by car or use public transport, the informative text gives much practical advice - for London and the UK.

A User Guide? Yes, you may need to know about the often puzzling features specific to the UK: languages, currency, food, phones, water, electricity and so on. All and more are covered.

Touring - London sights plus UK castles, churches, cathedrals, art galleries, stately homes, royal palaces, museums, interesting towns and so on.

Transportation - London transportation, airports (locations and transportation to city centre), airline services, seaports & routes to the UK, channel tunnel, UK-wide bus and train services.

Driving - road rules, road network (the road numbering system is explained), road signs, motorways, parking, car hire/rental, caravans/RVs, insurance and safe driving on UK roads.

Specifics - special chapters are provided for parents with children, senior citizens, disabled, students, workers and gays/lesbians.
