The A-Z of Designer Wedding Dresses

A is for Alfred Angelo and Alan Hannah. Both Alan Hannah and Alfred Angelo have created a stunning collection of designer wedding dresses that are available up and down the country in many wedding dress shops.

[wedding dress designers](#) started and run their businesses as a family affair. Alan Hannah was founded and now ran by husband and wife Marguerite and Alan Hannah, whereas Alfred Angelo was founded back in 1933 by Alfred Angelo Piccione and his wife, the business is now ran by their son and daughter Michele and Vincent.

English Romantics is Alan Hannahs latest collection of wedding gowns which takes inspiration from beautiful flowers. The melita wedding dress features gerbera daisies, each petal on the dress is handcrafted and sewn on seperatly, the dress has a lot of detail. All of the wedding dresses in the English Romantics collection are gorgeous including Georgia, a stunning asymmetrical white wedding gown, Audrey, an elegant white square neck wedding gown and Zsazsa, a beautiful strapless white wedding dress.

Alfred Angelo wedding gowns are all made of quality fabrics and a varied range of styles and silhouettes. Many Alfred Angelo wedding gowns are embellished with taffeta, lace, sequins, crystal beading and beautiful embroideries. There is a new sash range available, whereby you can colour cordinate a sash around your waist with the rest of your bridal party. This is an extremely popular and modern twist on the traditional wedding dress, the sash dresses are available in both long and [short wedding dresses](#)the sash is available in around 55 beautiful colours.

Alfred Angelo also stock a wide range of gorgeous flowergirl and bridesmaids dresses.
