I am the author of ISTANBUL-TOP-101 and based on my >5 year experience as a travel advisor, I would like to introduce this unique e-book to you. I prepared this e-book as a complete Istanbul travel guide for you.

I know that you want to learn many things about Istanbul, many touristic places in Istanbul and also cultural background of the city. In order to do these, I feel that you are searching an e-book, a complete travel book or any other written and portable material that enables you to spend a vacation in Istanbul more comfortable and in a time saving manner.

I am sure that you are highly wondering what are included and what you can find in my e-book. Let's look at the content of ISTANBUL-TOP-101;

Every year millions of tourists visit Istanbul individually or with a group. Since Istanbul has many famous places which are known all over the world, most of the tourists take care of these top places in their travel programs. The TOPKAPI PALACE in which you can find almost everything about Ottoman Culture, HAGIA SOPHIA that is of high importance in Christian belief, and DOLMABAHCE PALACE, which has great importance in the building of Turkey are the first three places that every visitor wants to see in Istanbul. No visitor wants to leave Istanbul without watching the perfect view of Istanbul. The BOSPHORUS CRUISE via which you can most efficiently experience the view of Istanbul, and also, The ANATOLIAN FORTRESS takes great attention. The SULTANAHMET SQUARE, on which you can travel many cultural sights in a very short amount of time, and the TAKSIM SQUARE which is especially the center of entertainment will be your exact stations. Turkish mosques also draw high attention from tourists. SULTANAHMET (BLUE) MOSQUE and NEW MOSQUE are...
